### **Christmas Opening**

There will be a warden on duty at all times, the office will be manned during this time as well, please check the shop door for opening hours.

### **Drain Down**

So it's that time of year where things get very cold on park, can we kindly remind people to drain things down when they leave as not to cause any damage inside your caravan.

**Vouchers**, have you been looking to buy someone something for Christmas? Why not pop in and buy a voucher that can be spent towards a booking.

**Emergency contact number**, we have now arranged for an out of hours phone number, to contact the warden on duty. The number is **07444 293815**

**Barriers**, Some of you may have noticed we are in the process of putting new barriers around the park, this will mean that you will be able to drive to the office and that is it, should you wish to take your caravan off site you will need to make prior arrangement with the office.

**Lighting**, over the next few months we are putting some new electric phases into the site, whilst doing this we are going to be upgrading the outside lighting, we are going to work our way through the park so please be patient with us.

**Christmas**, Andrew and his team here at Sherwood Forest Holiday Pak, would like to wish all our Seasonal Guests a very happy Christmas and prosperous New Year.
